

Budding News from Sundance

June 2012

Serving Our Evergreen Community for 35 Years

June is here -- it's almost summertime!

Yes, it is annual season. Isn't it great to see all that COLOR! While we love to see our returning perennials every year, it is fun to change things up with the infusion of instant, long lasting, bright annuals. Why not try something new this year? Experiment with a different color combination, an untried herb, a fresh approach in a new container. Whatever you decide we are here to help, we look forward to helping you create your dream gardens and landscaping!

"What is one to say about June, the time of perfect young summer, the fulfillment of the promise of the earlier months beauty..." ~Gertrude Jekyll

Sundance By Design "Annex"

Stop in and see our newest selection of natural stone and granite birdbaths. These artistic sculptures are beautifully rustic and polished at the same time. They are also sturdy enough that they won't blow over. Check out the natural boulder granite lantern and decorative owls too.

We are located in the Evergreen Design Center, just behind Mountain Home.

Linda's Garden Tips

- Get the most out of your annuals - keep them deadheaded for more flowers.
- Remove foliage from spring bulbs **after** it turns yellow - not before. Green foliage feeds the bulbs.
- After a new plant has been established, it is best to water deeply 3x's a week rather than a light watering daily. This helps deeper roots develop which will help plants tolerate dry weather.
- Add bone meal or superphosphate to iris and peonies.

June Garden Center Special

Buy one #10 Colorado Blue Spruce - get the 2nd at 50% off.

June 29th Friday Artist Reception

Please join us this summer at the Evergreen Design Center for the Friday evening artist reception. On **June 29th**, from 5-8pm local wildlife painter Vickie Renfro will have her work on display. Come enjoy wine and appetizers while visiting all 6 EDC Shops. Gather with friends for a fun evening in Evergreen! For more information on the EDC businesses and special events [click here](#).

Save 10% on Weescapes by Evergreen's own Karen Belmont

Local artist and gardener Karen Belmont has developed a charming new business creating miniature worlds in a pot. More than fairy gardens, her themed WeeScapes capture the whimsy of precious garden scenes.

Karen's creations contain many small accessories she hand crafts. Come see her Evergreen Rodeo Roundup Garden, First Herb Garden (pictured), and the calming Zen WeeScape.

All come with care instructions. To see more of Karen's wee landscapes, visit Sundance by Design.

Offer Expires: June 30, 2012
