

## BUDDING NEWS FROM SUNDANCE October 2015

[Website](#) [Garden Center](#) [Landscaping](#) [Maintenance](#) [Sundance by Design](#) [Contact Us](#)

### Happy October!

What's not to love about a month that brings us crunchy leaves, National Apple Month, and World Smile Day? And of course it is impossible to ignore a holiday that includes pumpkins, costumes, AND free candy!

We hope you are enjoying these warm, perfect fall days. If you prefer to "sit and watch the leaves turn" let us help with your garden chores. If you can, try to take advantage of our fantastic **end of season sales** at the **Garden Center** and **Sundance by Design**. This is still a great time to plant and plan ahead. The snow will be here before we know it!

"Even if something is left undone, everyone must take time to sit still and watch the leaves turn." - Elizabeth Lawrence

## **Sundance by Design End of Season Biggest SALE!**

While we are open year-round (and have incredible holiday items arriving daily) we would love to find good homes for our beautiful **ceramics**. Fountains, planters, birdbaths, and garden statuary all **35% OFF**. These make GREAT holiday gifts AND we will **store them** for you (see associate for details). Stop in soon - sale prices good until the snow flies and we have to winter-proof!

### **Linda's Garden Center Tip**

'Flooding the fields' is a term used by growers in the nursery industry. They 'flood' their fields at this time of year so that the trees and shrubs will go into winter with plenty of moisture and strong roots. Homeowners should do the same thing. Deep water your plants now.

It's also time to get those spring blooming bulbs in the ground. Stop by the garden center to see our selection of deer/elk

resistant bulbs and to have our knowledgeable staff show you the correct way to plant them to ensure booms for many years to come.

### **Garden Center Special**

End of season specials going on now. **25% - 75% off selected items.**

### **Sundance Maintenance & Landscaping**

Would you like help putting your garden to bed and getting ready for spring? We are now scheduling fall clean-ups and spring bulb plantings.

We have a spring-blooming bulb planting package where we plant 120 bulbs with bulb booster for \$350. Package includes allium, mixed daffodils, muscari, iris, and snow drops. Depending on your needs, fall clean-up may include deadheading, mulching, and leaf raking. Let us know how we may help you.
